Managers and team members are advised that their participation in baseball can result in injuries from such incidents as sliding into bases, colliding with other players & objects, and being hit with batted or thrown balls. Most bases are stationary and will not move or give any ground upon contact. The out of play area is designated by an out of play line and/or fence. Players should not chase foul balls beyond out of play lines or into dugouts.

PLEASE NOTE: Due to problems encountered in the past, we request that you inform your coaches and team members that parking is not permitted in any unauthorized park area.
